

SCALE IS LEVERAGE!

The Commandment of Scale demands a business that maximizes the Fastlane wealth equation. Give the Law of Effectation a chance! Give wealth a chance! How do you know if your business (or potential business) honors the Commandment of Scale? Ask:

- Can the net income of this business scale limitlessly, say, from \$2,000 per month to \$200,000?
- Can the asset value of this business scale into the millions?
- Can this business impact millions? Or does it impact hundreds? Is its customer pool the world or a small community in the city?
- Can this business be replicated and expanded beyond the local trading area by franchising, chaining, or additional units?
- Best-case scenario, what is the units-sold potential? One hundred or one hundred million?
- Best-case scenario, how pliable is unit profit? Does it have magnitude?

If you can't affirm these questions, you might be stuck in a restrictive business where wealth creation is stifled.

Tiny habitats create tiny wealth. Scale is large numbers. Think big, nationally, and globally. Big numbers, or scale, is the inroad to The Law of Effectation. To make millions, you must affect millions. That doesn't happen in a small store on Main Street, but in hundreds of stores across the country.

DRIVE EFFECTATION'S NEIGHBORHOOD

A "wealth-seeking" friend of mine asked if I thought buying a coffee franchise was a good idea. I said, "No." My answer shocked him because he played the "be your own boss" drum. I didn't like the idea because the gateway into the Law of Effectation was barricaded.

The problem? His goal was financial freedom. If this was his goal, owning a coffee franchise in the local community wasn't going to do the trick. With a coffee shop, he has no access to the Law of Effectation. Selling 100 lattes a day simply won't make an impact in either scale or magnitude. And since he didn't want to own 20 of these franchises, but just one, he was barricading himself from the Law. Road closed.

If you can't access the Law of Effectation, you won't get rich. The conduit to all wealth is via the Law of Effectation. For the Slowlaner, the LOE has to be hit by massive intrinsic value explosion: Sing in front of millions, entertain millions, play ball in front of millions. For the Fastlaner, the LOE is leveraged by scale or asset value explosion: Sell millions, help millions, serve millions, impact millions.
