

money you will make.” Impact millions and you will make millions. When you solve needs on a massive scale, money flows into your life. Money reflects value.

9. Steer (fastlane Supercharger)

Life’s **S**teering is choice. At some point, you must commit to the Fastlane ideology, and that commitment forms your process. Wealth is not a choice of event, just like you cannot choose to lose 100 pounds and suddenly wake up 100 pounds lighter. How you steer determines whether the Fastlane is a lifestyle or a hobby. To enforce good decisions at the extremes, deploy WCCA and WADM. Decision horsepower is strongest in youth and bleeds with age. Examine your past choices. Why are you where you are? What has been treasonous to your life? Why are you drowning in debt? If you don’t rectify the mistakes of your past choices you will be destined to repeat them. Behavior change begins with a reflection of your past choices and modifying them for the future to reflect a Fastlane mindset. Become responsible, followed by accountable.

10. Uncouple (fastlane sUpercharger)

Officially **U**ncouple from the Slowlane wealth equation by creating your business structure in a favorable Fastlane entity: a C- or S-Corporation, or an LLC. Thereafter, your entity is the body of your surrogate business system. It “pays itself first” and the government last. It survives time separate from your time. It is your first step at creating an asset.

11. Passion & Purpose (fastlane suPercharger)

With a business entity and a dollar figure that outlines your dream life, you will need a **P**assion and a **P**urpose to fuel you into habitual action. Don’t confuse “passion” with “do what you love.” Passion burns your soul and drives you to do whatever it takes. Passion revs you with excitement and enrages you with discontent. Some passions are selfish (I want a Lamborghini) and other passions are selfless (I want to help orphaned children). It doesn’t matter what it is, as long as the passion burns hot enough to burn a hole in your pants and gets you embroiled into process.

12. Educate (fastlane supErcharger)

Education begins at graduation. Pledge to never stop learning. What you know now is not enough to become the person you need to be tomorrow. Seek Fastlane knowledge that fosters the construction and operation of business systems in an environment that you control. Get to the library and get on the Internet. Information is the oil on your financial journey. Ensure daily reading in short bursts by leveraging existing blocks of time often squandered: the train, the plane, while exercising, on lunch break, an hour in the morning before work, or while waiting at the post office.
