

13. Road (fastlane superRcharger)

Get onto a Fastlane **R**oad. But don't worry if you can't decide which road to travel; the road can pick you. Train your mind to see needs and problems. Observe your thoughts and language, because they expose unmet needs, or needs met poorly. You don't have to find the next breakthrough; just find a problem, a pain-point, or a service gap, and solve it. Many of the best businesses in the world are based on products that already existed; the owners solved the problem better. When you focus on needs, problems, inconveniences, and issues, roads open. Yes, the road chooses you.

14. Control (fastlane superCharger)

Control your financial plan as this refers to the Commandment of Control. Engage in an organization that you fully control, from pricing to marketing to operations. Fastlane entrepreneurs don't cede control over critical business functions to hierarchical control structures, because they are the control structure. Swim as a shark, not a guppy.

15. Have (fastlane supercHarger)

HAVE what others **NEED** and money will flow into your life. This reflects the Commandment of Need. You can't explode your income by chasing money. Stop chasing money, because it eludes those who try. Instead, focus on what attracts money, and that is a business that solves needs. Money comes from providing value. Cast aside selfishness and seek to **HAVE** what your fellow man **WANTS**. When you do, money flows into your life because money is attracted to those who have what others want, desire, crave, or need.

16. Automate (fastlane superchArger)

Automate your business and honor the Commandment of Time. Get your time detached from your business. The best passive-income money-tree seedlings are money systems, rental systems, computer systems, content systems, distribution systems, and human resource systems. The key to automation in any business lies in these seedlings.

17. Replicate (fastlane superchaRger)

Replicate your system and honor the Commandment of Scale. Get on a playing field where home runs can be hit. To make millions, you must impact millions. To impact millions, you must be on a field capable of affecting millions! Can your product, service, process be replicated on a global scale to tap the Law of Effectation?

18. Grow (fastlane supercharGer)

Grow your business by treating it multi-dimensionally, like a game of chess. Build a brand, not a business. Treat customers like your boss and reposition complaints
