

## **WEALTH'S ROAD TRIP FORMULA**

The formula for wealth's road trip is like a long road trip across the country. Success demands your focused exercise into the journey and the tools of that journey (process) as opposed to the destination (event). There are four constituent ingredients that make up the winning formula. They are:

### **Your Roadmap (Parts 3, 4, and 5)**

The compass for the trip—your roadmap—is the guiding force behind your actions. Your roadmap makes up your financial belief system and your preconceived convictions about wealth and money. There are three roadmaps that will chart your course to wealth:

- 1) The Sidewalk
- 2) The Slowlane
- 3) The Fastlane

Much like a recipe, your roadmap will outline why, where, how, and what.

### **Your Vehicle (Part 6)**

Your vehicle is you. No one can drive the journey but you. Your vehicle is a complicated system composed of oil, gas, an engine, a steering wheel, a windshield, horsepower, and an accelerator—all needing frequent tuning and maintenance to ensure peak efficiency during the road trip.

### **Your Roads (Part 7)**

Your roads are the financial pathways you travel. For example, you can travel the job road, and within that road you have limitless choices: You can be an engineer, a project manager, a physician, a plumber, a truck driver. Then there are entrepreneurial roads: You can be a real estate investor, a retail storeowner, a franchiser, an Internet marketer, or an inventor. Just like a road trip across the country, roads are plentiful with millions of permutations.

### **Your Speed (Part 8)**

Speed is execution and your ability to go from idea to implementation. You could sit in a Ferrari on an empty, straight road, but if you fail to hit the accelerator, you fail to move. Without speed, your roadmap has no direction, your vehicle stands idle, and your road mutates into a dead end.

## **THE ROAD TRIP IS PAVED WITH TOLL ROADS**

Successful Fastlane travelers are warriors who live and die on rough roads. Toll roads pave the road to wealth, and that toll can't be paid on Easy Street. For some of us, this is good news because the toll weeds out the weak and escorts them to the
