

- For the Slowlaner, Saturday and Sunday is the paycheck for Monday through Friday.
- The default return on your time in the Slowlane is negative 60%—5-for-2.
- The 5-for-2 trade inherit in the Slowlane is generally fixed and cannot be manipulated, because job standards are five days a week.
- The predisposed destination of the Slowlane is mediocrity. Life isn't great, but it isn't so bad either.
