In this groundbreaking *New York Times* bestseller, Ramit Sethi delivers a no-BS six-week program that shows how you can gain financial control and live your rich life, spending freely on the things you love instead of tracking every last expense. Including how to:

- » Choose long-term investments and the right bank accounts
- » Squeeze every benefit out of your credit cards
- » Crush debt and student loans
- » Learn the exact words for negotiating a raise
- » Set up an automatic money system and get on with your life

Plus: Overcoming psychological barriers, love and money, the latest investment options, and real reader stories on how applying Ramit's principles led to a rich life.
