

What's a \$3 question you can stop worrying about from now on?

Examples:

- » Does this dessert cost too much?
- » Should I put off buying this book?
- » Should I feel FOMO over this past financial decision?

List some \$3 questions you've asked in the last week.

EXAMPLE *Does this lunch cost too much?*

1

2

3

Now try turning them into \$30,000 questions.

EXAMPLE *How can I automatically save and invest so I never worry about the price of food again?*
