*Partner network*

*Cost structure*

*Revenue model*

*3) See the business environment = then you are buying stock look in which environment the business is taking place*

*a. External Environment*

*External environment includes all those factors which influence business and exist outside the business. Business has no control over these factors. The information about these factors is important for the study of the external environment.*

*) Customers (ii) Suppliers (iii) Competitors (iv) Public (v) Marketing Intermediaries.*
