

Part of the interest rate structure i.e. on small savings and provident funds, are administratively set.

Banks are mandatory required to keep 23% of their deposits in the form of government securities.

Banks are required to lend to the priority sectors to the extent of 40% of their advances.

Monsoon

Monsoon is one of the important part that effect the market

Agricultural

India, historically an agrarian economy primarily, has recently seen the services sector overtaking the farm sector in terms of GDP contribution. However, even today agriculture sector contributes 17-20% of GDP and is the largest employer in the country with about 60% of people dependent on it for employment and livelihood. The land use pattern of India indicates that 49% of land is under agriculture in India, it is 55% if associated wetlands agriculture, dry land farming areas, etc. are included. Since over
