

*Value of investment of Mar 7, 2005*

*INR 1, 09,315*

*Return on investment*

*23.87%*

*Had the units been bought on March 13, 2000 at INR10.88 per unit (the NAV then), the result would be a loss because the NAV was just 7.04 on March 7, 2005. But because of spacing out the investment, it is a gain.*

## ***Dead market***

### ***1)Bank deposit***

*Fixed Deposit, also called Term Deposit is an investment where the interest rate is guaranteed not to change for the nominated term, so you know exactly what your investment is worth.*
