

using this market you can buy gold ,silver ,crude oil, etc in demat form not in physical form for example you can buy gold in form demat as one unit is = 1 gram of gold so by taking the risk of physical you can buy the safe mode .As the price of gold goes up your unit nav of the gold in demat form also go up equal to market price same in form of silver, steel etc

Gold

Gold is the oldest precious metal known to man and for thousands of years it has been valued as a global currency, a commodity, an investment and simply an object of beauty.
