

need to correspond with each of them separately

§ Transmission of securities is done directly by the DP eliminating

correspondence with companies

§ Convenient method of consolidation of folios/accounts

§ Holding investments in equity, debt instruments and Government

securities in a single account; automatic credit into demat account, of shares, arising out of split/consolidation/merger etc.

Who is a Depository Participant (DP)?

The Depository provides its services to investors through its agents called depository participants (DPs). These agents are appointed by the depository with the approval of SEBI. According to SEBI regulations, amongst others, three categories of entities, i.e. Banks, Financial
