

average annual growth of 7%, you would have Rs. 1.22 Cr on your 60th birthday - more than double the amount you would have received if you had started ten years later!

Other Benefits of Systematic Investment Plans

- **Disciplined Saving** - Discipline is the key to successful investments. When you invest through SIP, you commit yourself to save regularly. Every investment is a step towards attaining your financial objectives.
- **Flexibility** - While it is advisable to continue SIP investments with a long-term perspective, there is no compulsion. Investors can discontinue the plan at any time. One can also increase/ decrease the amount being invested.
- **Long-Term Gains** - Due to rupee-cost averaging and the power of compounding SIPs have the potential to deliver attractive returns over a long investment horizon.
- **Convenience** - SIP is a hassle-free mode of investment. You can issue a standing instruction to your bank to facilitate auto-debits from your bank account.

SIPs have proved to be an ideal mode of investment for retail investors who do not have the resources to pursue active investments.
