

ABOUT THE BOOK

We work hard to earn our money. But regardless of how much we earn, the money worry never goes away. Bills, rent, EMIs, medical costs, vacations, kids' education and, somewhere at the back of the head, the niggling thought about being under-prepared for our own retirement. Wouldn't it be wonderful if our money worked for us just as we work hard for it? What if we had a proven system to identify dud investment schemes? What if we could just plug seamlessly into a simple, jargon-free plan to get more value out of our money for tomorrow, and have a super good life today as well?

India's most trusted name in personal finance, Monika Halan offers you a feet-on-the-ground system to build financial security. Not a get-rich-quick guide, this book provides you a smarter way to live your dream life, rather than stay worried about the 'right' investment or 'perfect' insurance. Unlike many personal finance books, Let's Talk Money is written specifically for you, keeping the Indian context in mind.
