

# ADDENDUM

So, you made it to the end of this book. For that, we must congratulate you—by taking extra care to learn about the home-buying process, you are miles ahead of many of your peers. We hope this book made purchasing a home less financially and emotionally intimidating. If you can survive our bad puns, you can conquer the world!

Don't forget about all the free resources you can find at [biggerpockets.com/homebuyerbonus](http://biggerpockets.com/homebuyerbonus). There's a rent-versus-buy analysis spreadsheet, a self-directed pre-inspection checklist, and all other sorts of bonus content that can help you on your home-buying journey. Always remember that you're not in this alone—and whether your questions are “stupid” or complex, feel free to ask for help in the BiggerPockets forums. There's a special thread dedicated to first-time home buyers at [www.biggerpockets.com/FTHBforum](http://www.biggerpockets.com/FTHBforum).

Thank you for sticking with us until the end. Best of luck to you on this exciting adventure!
