

investing in NPS. Mandatory annuity locking and tax on withdrawals are a big dampner as of writing this revision of the book.

There are many more smaller tax saving tips which add on to big amounts in the long run and contribute immensely to your freedom. We suggest you to subscribe to our blog and stay tuned on all these updates.

With this, we reach the penultimate chapter of the book.

Many times during the course of my journey, I thought that I should now quit my job even though I knew I had not achieved my goal of financial freedom completely. Some of you may also feel the same way as you near your goals.

The next section will give you a quick glimpse of what you must definitely do before you finally quit your job.
