

- **Find a bank that has conveniently located ATMs so you can avoid the fees incurred by using another bank's ATM.**
- **Avoid insufficient funds charges by checking your account activity and balance regularly online.**
- **Look into Internet-only interest and check out websites like www.bankrate.com and www.bankingmyway.com to compare rates.**
- **If you've been charged an outrageous fee for a bank service, complain. Being firm but polite will often help you persuade the bank's manager or customer service rep to waive the charge.**
- **Resist buying mutual funds from your bank. Instead, look into some of the low-cost mutual fund companies discussed in Chapter 5.**
