

*The blessed art of sharing your riches*

Wealth that is shared creates more wealth. The helping hand you give another can repay you many-fold. Millionaires to-day realize that when wealth is distributed it creates opportunities. Discontented workers become contented, ambitious workers when they learn the Science of Personal Achievement. When you share the wealth in your own home, you create peace of mind in a most important area of your life. The three basic motives of love, sex and money are said to rule the world. When you practice sharing you will never have to ask: "What wealth have I to share?" Go back and read the basic ways of sharing; they are a road to wealth.

*How to develop your own healthy ego*

Ego is the "self-assertive tendency of man." It can transcend many an obstacle, even get a man a great job when he looks like a tramp. Ask yourself certain questions concerning your childhood, and you may find what is hurting your ego and be able to overcome this long-ago influence. A healthy ego makes you more receptive to the influences which guide you from a region beyond the power of our five senses to know. A salesman sells through his ego. When the ego is strong, it attracts success. When the ego is weak, it can be strengthened. Go back and read how men found their own ego-boosters, and learn how to find your own.

*How to transmute sex emotion into achievement power*

Unlike other mammals, man's sexual drive is always with him. This drive can be wasted, or it can be transmuted into sparkling energy which shows in everything a man does. Like ego, sexual energy can help you rise above outward appearances. Many a man uses his energy in the wrong direction, but performs miracles of achievement when he puts himself on the right path. You can make sure you are the beneficiary of your sexual drive—not its victim. Sexual energy can invigorate the subconscious mind's ability to form new patterns out of known facts and thus come up with new inventions and new opportunities. Go back and read about the connection between experience and intuition. See what intuition can do for you.

*To succeed in life, succeed in being yourself*

Let nothing be bigger in your life than being yourself. Many a man has been bribed away from the job in which he fulfilled himself and now has riches but no peace of mind.
