

are unseen watchers. A great reservoir of wisdom is kept for the benefit of mankind, and those who conquer the enemies of man come through the jungle unharmed and are ready to take the next step upward. Your life-experience can and should qualify you for wealth and peace of mind to enjoy for yourself and to share with others. Go back and read the list of the enemies of man; see how many you met today.

Not too much, not too little

Wealth comes to the man who sees and uses his potential for wealth. Potential all around you is not wealth till you bring wealth into being. Grabbing for wealth may cause you to lose that wealth. Do not limit what you give, only what you take. The Golden Rule, ancient in the time of Jesus, remains a true guide. Give the other fellow what he needs and you do justice to the Golden Rule. You can notice the effect on character when a person never has allowed the Golden Rule to enter his life. A man's services generally are worth what he is paid for them, and a man has a way of putting a price on himself. The Golden Rule cannot be cheated. Go back and read and remember the Golden Rule in the form that really makes it work.

The magic power of belief

Anything the human mind can believe, the human mind can achieve; this is the Supreme Secret. A wish occurs on the surface of the mind; a true belief becomes part of you. Decide on the belief you want, send it down into your subconscious mind, and your subconscious will thereafter see to it that you act on the belief. Nobody knows the limit of the power of belief. It even effects physical changes in the body. The human mind now is transforming humanity and the world in which man lives. You can take your part in this mighty process by using every bit of your human power. Go back and read how to implant belief in your subconscious mind through the art of auto-suggestion.

Enthusiasm—and something more

What you say without enthusiasm may get no results, while the same thing, said with enthusiasm, wins 100 per cent achievement. Enthusiasm helps in selling anything, but it cannot make up for lack of honesty and a true regard for the customer's best interests. Enthusiasm opens vast reserves of energy. Any negative thought or action interferes with the process of selling, but a negative can be transmuted into a
