

It is freedom from all fears, especially the seven basic fears we shall expose in all their ugliness.

It is freedom from the common human weakness of seeking something for nothing.

It is possession of the joy of work and accomplishment.

It is the habit of being one's self and doing one's own thinking.

It is the habit of checking one's attitudes toward life and toward one's fellow men, and always adjusting these attitudes for the better.

It is the habit of *helping others to help themselves!*

It is freedom from anxiety over what may happen to you after you die.

It is the habit of going the extra mile in all human relationships.

It is the habit of thinking in terms of what you wish to do, instead of thinking of the obstacles which may get in your way.

It is the habit of laughing at the petty misfortunes which may overtake you.

It is the habit of giving before trying to get.

Peace of mind covers a surprisingly broad field, doesn't it? In every way you use it, it helps you win money-success—and more. Peace of mind helps you live your life on your own terms, in values of your own choosing, so that every day your life grows richer and greater.

This volume is written by a man who has found peace of mind the hard way, by trial and error. Its purpose is to help others find their own peace of mind, along with money-success, by a shorter and less costly route. If some of the episodes seem ultra-personal, please remember that it is the seemingly small events of a man's life which make up the greater portion of his experiences.

In my own personal experiences you may see your own. Notice how small experiences conceal both success and failure. They are the first testing ground in which you are given the opportunity to prove that *you* are the master of your fate, *you* are the captain of your soul.

I realize that nobody wishes to take medicine prescribed by a doctor who does not take it himself when seeking the benefits he proclaims. The "medicine" given herein is the "medicine" proved by its marvelous effect upon myself and thousands of others.

Thanks to circumstances I have had the aid of more than five hundred of the most successful men in America. These men allowed me to go behind the curtains of their private lives and see for myself both their good qualities and their weaknesses; their successes and their failures; how they en-
