

Exhibit 1.5

Retirement Income Strategies		
Probability-Based Approaches		
Total Returns / Constant Spending	Total Returns / Variable Spending	Time Segmentation
Safe Withdrawal Rates (W. Bengen, Trinity Study, M. Kitces)	Fixed Percentage Withdrawals (W. Bengen)	Age Banding (S. Basu)
Safe Savings Rates (W. Pfau, InStream)	Desired and Maximum Distribution with Spending Rules (InStream)	Asset Dedication (J. Burns; S. Huxley)
Cash Flow Management (H. Evensky, D. Katz)	Decision Rules and Guardrails (J. Guyton, W. Klinger)	Income Discovery (M. Malhotra)
Rising Equity Glide path (M. Kitces, W. Pfau)	Floor and Ceiling (W. Bengen)	Wealth 2K (D. Macchia)
	IRS RMD Rule (A. Webb, W. Sun)	
	PMT Formula (D. Blanchett, L. Frank, J. Mitchell, M. Waring, L. Stegel)	
	Target Percentage Adjustment (D. Zolt)	
	Endowment Spending Policies	
	Actuarial Approach (K. Steiner)	
Safety-First Approaches		
Utility Maximization / Dynamic Programming	Locked-In (Lifetime) Flooring	At-Risk Flooring
Product Allocation and Efficient Frontiers (M. Milevsky, P. Chen, Morningstar, M. Warshawsky, W. Pfau)		
Bequest Value vs. Shortfall Value (J. Tamlinson)	Dimensional Managed DC (R. Merton, Z. Bodie)	R-MAP (M. Lanier)
Spending on the Planet Vulcan (M. Milevsky and H. Huang)	Household Balance Sheet Management (M. Zwecher, RIIA)	
Lifecycle Finance (P. Samuelson, R. Merton, Z. Bodie, L. Kotlikoff)	Modern Retirement Theory (J. Branning, M. Ray Grubbs)	Funded Ratio Management (Russell Investments)
Financial Guidance Theory (H. Markowitz)	Safety-First Goals-Based Approach (Z. Bodie, R. Taqqu)	
ESPlanner (L. Kotlikoff)	TIPS & Deferred Income Annuities (S. Gowri Shankar, S. Sexauer et al.)	
Financial Engines (W. Sharpe, J. Scott, J. Watson)	Floor-Leverage Rule (J. Scott, J. Watson)	
Dynamically Adapting Asset Allocation and Withdrawal Rates (J.P. Morgan)	Thrive Distribution (C. Cloke)	
Asset Allocation Calculator (G. Irfam)	Liability Matching Portfolios (W. Bernstein)	

My aim is to simplify this list by narrowing down the options to some core attributes that can serve as best practices. I have studied all of these different approaches and tried to draw what is best from each to build an overall framework to guide retirement income planning.
