

after my departure, that firm went out of business for lots of other reasons.

[234](#) Barry Ritholtz, “Lessons from Our Origin Story,” The Big Picture (September 17, 2021).

[235](#) I desperately wanted to short Tesla in late 2021 but since RWM owned it through index holdings, and clients owned it individually through Direct Indexing, it was a non-starter. ETF wizard Dave Nadig and I spent hours watching it top out, lamenting the opportunity the whole way down...
