

Morgan Housel writes, “The past wasn’t as good as you remember. The present isn’t as bad as you think. The future will be better than you anticipate.”^{[392](#)}

Humility is a surprisingly rare trait...

Now that we know how much our brains were not designed for the modern world, what can we do about it? That’s next.

^{[392](#)} Morgan Housel, “A Message From the Past (Thoughts on Nostalgia),” Collaborative Fund (October 14, 2024).
