
⁶⁸ Howard Marks, twitter.com/HowardMarksBook/status/1044964993127649280 (September 26, 2018).

⁷⁰ George Soros, *The Alchemy of Finance: Reading the Mind of the Market* (Wiley, 1994).

Theodor Reik, *Curiosities of the Self: Illusions We Have about Ourselves* (Farrar, Straus & Giroux, 1965), Essay 3: “The Unreachables: The Repetition Compulsion in Jewish History,” p.133 (verified with scans). This is often misattributed to Mark Twain, but there is no evidence he ever said or wrote those words: See “History Does Not Repeat Itself, But It Rhymes,” Quote Investigator (January 12, 2014).

⁷² Richard Feynman, speaking at a Caltech graduation ceremony, via MIT's Andrew W. Lo, "Warning: Physics Envy May be Hazardous to Your Wealth!" ssrn.com (March, 2010).
