

Adrian Li's bargain banquet

You might know Adrian Li as a guest chef and mentor on episodes of *MasterChef Australia*. The head chef of hopping Melbourne restaurant Tokyo Tina and others, which have won a fridge-full of accolades, Li gave away a job in IT to pursue a passion for food instilled by his chef parents. Some of the many dishes that keep diners coming back have been inspired by his mum's home cooking. Li has been invited to cook at George Calombaris's top-notch The Press Club and has whipped up his signature feasts alongside celebrated chefs Guy Grossi, Teage Ezard and more, and at venues including the Starlight Foundation dinner and Flemington Race-course during the Spring Racing Carnival. Li's menu is as follows:

- **Starter** – Miso eggplant tartine with pickled ginger salsa
- **Main course** – Grilled turmeric chicken
- **Side** – Spicy tomato salad
