

Grilled turmeric chicken

Serves 2

10 g ground turmeric
20 g ginger
1 stalk lemongrass, chopped
100 ml fish sauce
20 g chilli flakes
50 g Chinese five-spice powder
5 kaffir lime leaves
100 ml oil
2 large chicken thigh fillets, deboned

Sweet honey glaze

$\frac{1}{4}$ cup (80 g) honey
1 clove garlic, chopped finely
1 green chilli, chopped
 $\frac{1}{2}$ tbsp fish sauce
50 ml water

1. Blend turmeric, ginger, lemongrass, fish sauce, chilli flakes, Chinese five-spice powder, lime leaves and oil in a blender or food processor until a marinade paste forms.
2. Rub chicken fillets with the paste and leave in the fridge for at least 2 hours.
3. Heat griddle pan or BBQ until very hot. Place chicken skin side down and lower the heat to medium.
4. Cook for at least 4 minutes, ensuring skin doesn't burn but is crispy. Flip to cook the other side for 4 minutes. Remove from heat and let rest.
5. In a small pot combine honey, garlic, chilli, fish sauce and water. Let the sauce infuse, then pour the glaze over the chicken to mix in with the juices and create a flavourful sauce.
