Mio Tesoro

A glittering treasure trove of pre-loved Chanel, Louis Vuitton and Hermès – and better still, it offers a lay-by service. Mostly handbags, and a great selection of shoes and clothes, the collection reads like the index of Italian *Vogue*. Mio Tesoro also provides an authentication service, so you can check whether you have been duped by that Gumtree bag that was priced too good to be true, or need an authentication document as proof to privately sell one of your designer buys.

Secondo

secondo.com.au

This store is different to other pre-loved boutiques with hodgepodge collections; here fashion is presented seasonally, as in a regular shop. Designer bags – Vuitton, Gucci, Miu Miu, Balenciaga and Céline, et al. – are at about half-price, and in impeccable condition. The clothing racks are cheek by jowl with plush coats, cocktail frocks, silk shirts and designer heels. If you want to sell pieces, Secondo accepts autumn and winter consignment items in February, and spring and summer offerings in August, to ensure their collections are up to the minute when the weather turns. Sellers receive 40 per cent of the price, with Secondo banking the rest as remuneration for their services. I have sold through Secondo; congrats to the girl or guy who snapped up my Givenchy tote for a song.
